

surrendered with co-pending application 09/594,152. Attached hereto is a copy of the Surrender of Original Patent, filed on January 24, 2001.

Applicant notes that claims 14-24 are not rejected in view of any prior art, but merely rejected based upon the defective Oath or Declaration identified above. Applicant respectfully requests, that in view of the Substitute Declarations of the inventor and assignee submitted herewith, that the rejection of claims 14-24 be withdrawn.

The Information Disclosure Statement filed on January 24, 2001 contained a typographical error in that reference was made to application Serial No. 09/594,192 as containing related prior art and for an earlier filing date under 35 U.S.C. §120. The correct reference is to Serial No. 09/594,152, filed on June 12, 2000. Submitted herewith is a Substitute Information Disclosure Statement.

In view of the amendments and remarks set forth above, this application is in condition for allowance which action is respectfully requested.

Respectfully Submitted,

Lawrence E. Ashery, Reg. No. 34,515
